Apartment Antibes

Antibes, Jules Grec close to the city center, the SNCF train station and sports and cultural facilities, 3-room apartment for sale on the 1st floor of a joint ownership of which we are the Syndic. The residence is extremely well maintained and frequented, with regular maintenance work and it is secured by a caretaker and will be closed by a gate very soon. The apartment, meanwhile, is a dual-aspect apartment, measures 71 m² and needs to be refreshed but offers great perspectives: a beautiful living room opening onto a large terrace and its circular balcony (over 22m² in total), an independent kitchen opening onto the balcony, 2 bedrooms, a bathroom and a separate toilet. Large closet in the entrance. Great potential once brought up to date: we have produced some examples of layouts via AI to facilitate your on-site projection. A closed individual garage completes the property.
